## CARACTÉRISTIQUES

### UV50 Protection

The neck cape offers UV50 protection from the sun's rays when working in hot, open environments.

### Curved Design

The neck cape features a curved design that fans out to provide extended coverage to the wearer's ears.

### Lightweight

The neck cape is lightweight and can be folded neatly for efficient storage when not in use.

### Compatibility

Multiple attachment points enable easy fitting to JSP EVO® helmets and Hardcap Aerolite® bump caps.
