DESCRIPTION

Work shorts with jogging-pants fit and elasticated waist inserts to ensure comfort and well-being throughout the working day. Elasticated shorts in U-4 way stretch fabric which moves in four directions at the same time and follows the body's movements. Central closure with zip and scratch-resistant rubber button.

Multi-pocket shorts with two front pockets, two multi-purpose pockets with zip, two back pockets, one of which with a zip and the other with a velcro fastening, as well as a measuring pocket and hammer loop.

The design with an accentuated rear yoke ensures greater protection of the lumbar area while the reflective tape on the back belt loops ensures greater visibility.

Breathable, quick-drying shorts in water-repellent fabric, ideal for the summer season.

Work shorts suitable for: truck drivers and couriers, logistics and warehouse workers, the building industry and bricklayers, carpenters, mechanics' workshops, tyre repairers, artisans, electricians and plumbers, gardeners and farmers.
